

Bill History
Session Year 2007
Raised S.B. No. 1288

Introducer(s):

Environment Committee

Title: AN ACT REQUIRING THE LICENSING OF PRIVATE SOLID WASTE HAULERS.

Statement of Purpose: To require the licensing of private solid waste haulers by the Department of Environmental Protection, to create civil and criminal penalties for operating a solid waste hauling business without such license, and to impose certain requirements for solid waste contracts.
